

Early Bird Renewal

2024-25 Early Bird Renewal is from April 1-May 31!

Your girls count on you, rain or shine, and Girl Scouts of West Central Florida is here for you through it all. Cheering you on, lifting you up, celebrating your strengths. Today, tomorrow, together – we're on your team.

Help us keep the momentum going by making sure that every girl renews her membership.

Top reasons to prepare like a parrot and renew today!

- 1 You get a special patch! All girls and adults who renew between April 1 and May 31 will receive our celebratory Early Bird patch to sport proudly all year long.
- 2 We're offering tons of incentives for your troop and service unit! For more information on incentives, see the next page or visit gswcf.org/renew.
- 3 You can assure families that their girls' time and energy selling cookies is already saving them dough! Use the proceeds from the Girl Scout Product Program to renew all the girls in your troop. They worked hard to earn that money and this is an immediate result!
- 4 You can start making future plans with your girls for ways to have fun, get adventurous and give back!
- 5 It keeps the sisterhood you've sparked flying high!
- 6 It's so easy to renew online. Just go to gswcf.org/renew for a step-by-step process.

Make Early Bird a tradition in your troop!
